

**Memorandum—SC Utility Consumer Website Changes***April 5<sup>th</sup>, 2022**Docket(s) Involved: 2005-83-A*

Per comments from the Department of Consumer Affairs, filed on March 31<sup>st</sup>, 2022, the Public Information Officer has made the requested change—that is, editing the drop-down menu on the SC Utility Consumer homepage ([www.scutilityconsumer.sc.gov](http://www.scutilityconsumer.sc.gov)) from “How Do I...Speak to a Consumer Advocate” to “How Do I...Get Help?” We appreciate SCDCA’s helpful note and remain available should further edits be requested to better facilitate positive experiences for SC ratepayers.
